

Happy 13th Birthday, Stetson!

Patty's Pet Photography, www.pattyspetphotography.com

Celebrate with us. A special boy. A special life.

Stetson remains on medications administered on a strict schedule five times a day. We are thankful that Stetson is still with us in spite of this disease, which usually cuts life short. We celebrate Stetson's life and courage and recognize the dedication of his human who made many sacrifices to afford him the life he has had.

*Happy Birthday, Stetson, with love, from your Mom, Toby's Mom
and all your family and friends.*
